COLBY FURNITURE

AUSTRALIAN-MADE UPHOLSTERED FURNITURE · TRADE CATALOGUE

The Collection

Motivo is proud to present Colby Furniture to the Australian trade. Based in Melbourne, Colby is a maker of handmade upholstered furniture — sofas, modulares, armchairs, dining chairs, ottomans and bedheads — each constructed on kiln-dried hardwood frames with premium feather and foam seating, and made to order in the customer's choice of fabric and finish.

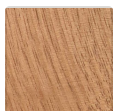

This catalogue presents the current range by category, together with the standard timber finish library and the stud, castor and seat-insert options. Dimensions are given in millimetres. Every piece is built to order; fabric is selected from your own range or Colby's, and timber is finished in any of the standard stains or matched to your choice.

Colby Furniture is represented exclusively through the Motivo Melbourne showroom and is available to the trade within Victoria. Pricing and current lead times are available on request.

CASTORS CHROME OR BRASS

Castor (Chrome / Brass)

Timber samples are a guide only — variation occurs due to the natural characteristics of timber, and stains can be colour-matched to your choice. Stud detail can be applied to front facings, outside arms, backs, wings and bases. Castors are available in chrome or brass and can be fitted to or removed from many designs. Seat and back inserts are available in Ultimate Luxury slow-recovery foam or Feather Wrap. Order samples for accuracy.
