CERAMIC LIGHTING · TRADE CATALOGUE

The Collection

Motivo is proud to present the Hwang Bishop ceramic lighting range to the Australian trade. Each lamp, sconce and pendant is thrown, glazed and assembled by hand in Rhode Island — no two pieces alike. Form, glaze and hardware are specified to order, so every commission is tailored to its setting.

This catalogue presents the current range by category, with the complete glaze library, the Bloom collection, and furniture. Dimensions are given in centimetres and refer to the ceramic body. All pieces are available nationally through Motivo; pricing and current lead times are available on request.

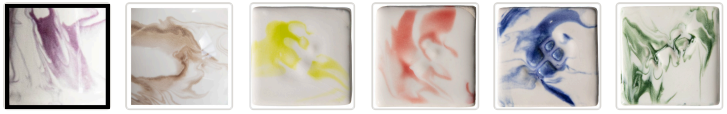

The Glaze Range

58 CERAMIC FINISHES · EACH MADE TO ORDER

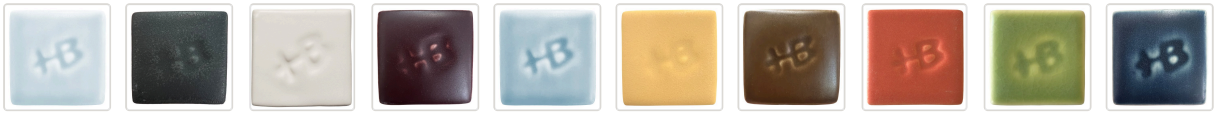

SIGNATURE GLOSS & SPECIALTY 42 FINISHES

MARBLEIZED 6 FINISHES

NEW MATTE PALETTE 10 FINISHES

Because every piece is handmade and glaze-fired to order, slight variation in colour and texture is expected and celebrated. Colours shown are indicative — order glaze samples for accuracy. Custom colour matching offered to trade members.
